Andrew Endres – 507-263-3373

- Requesting a building permit to build a 40x80 foot shed
- 6256 250th Street

Andrew wants to put the shed up now and a house later. Right now he is on a fact finding mission. He will maybe start it in mid-November. It will be a residential shed. He is 15 feet from the line for setback and will be over 100 feet from the road. Planning Commission approved that he can put the shed up now and the house later. **Larry Runyan made a motion that the Town Board grant permission to Andrew Endres to build a 40x60 shed at 6256 250th Street, Hampton, MN. Dave Peine seconded it. Motion carried.** Andrew was told to have a copy of the July 2018 Planning Commission minutes pulled when he is ready to start building the shed.

Reinardy Brothers (John & Jody) – 612-598-1496

- AG permit for two 24 foot grain bins, one 7,000 and one 8,000
- 22861 Inga Avenue

John and Jody Reinardy have 2 existing bins they would like to move and then add 2 more with 4 new foundations. The positioning and location are fine. This consists of an AG permit. Per Benny Svien, our building official he does not need to inspect the concrete or the structure since it is an AG permit. Planning Commission makes a recommendation to the Town Board and John and Jody will need to come before the board for final approval. **Cassondra Schaffer made a motion that John and Jody Reinardy be approved for an AG permit to move 2 bins and add 2 more bins with 4 new foundations at 22861 Inga Avenue, Hampton, MN. Dave Peine seconded it. Motion carried.**

Larry Runyan made a motion to adjourn at 7:42pm. Cassondra Schaffer seconded it. Meeting was adjourned.
